

Curriculum Tip: Using SchoolRooms to Support Standards

How can you use SchoolRooms to find information that supports a South Carolina academic standard? Teachers can use these resources for lesson plans and classroom activities, and students can find information to complete projects, reinforce learning, and obtain study materials.

Take this Elementary School ELA standard as an example:

Standard 4.1: The student will read and comprehend a variety of literary texts in print and nonprint formats.

Indicator 4-1.9: Recognize the characteristics of poetry (including stanza, rhyme, and repetition).

You can find resources in several ways within SchoolRooms. Try searching for keywords such as poetry, rhyme, onomatopoeia, rhythm, and metaphor.

You can also find great information by browsing. Start with the Elementary link on the left side of the screen, under the title "Explore a Room."
